1050.2

Mammoth Hog.

James Russel, Esq., of Fell township, had a Hog butchered which he raised the past season, which weighed, after being dressed, over 600 pounds.

Peter Rivenburgh acted as chief executioner on the occasion, and it is needless for us to say to those acquainted with Peter, that it was done in scientific manner.

Carbondale advance, November 23, 1861, p. 3
